Steps to Organizing a Youth Council

Youth Council Bylaws Template

Goal Setting for Your Youth Council

Sample Resolution Supporting the Organization of Your Youth Council

Sample Code of Conduct and Officer Contract

Sample Constitution and Bylaws (NAN Decade Youth Council)

Steps to Run a Good Meeting

This toolkit is designed to help you establish a community youth council. Please feel free to photocopy and distribute all materials. The samples and templates are for instructional purposes and you are encouraged to develop your own documents to suite your community needs. Youth, as well as youth workers, Band employees, teachers and other adults who are working with youth, should use this manual. Good luck as you develop your community youth council (YC).
